Please pass this information on to anyone you may think needs to know.

Please remember that the rules state that a trial is to be ridden as whole laps. 'Doubling up' is only permitted in exceptional circumstances at the discretion of the Clerk of the Course and Observers. The Clerk of the Course has looked at the results and feels they reflect a true result, but if riders do not adhere to the rules then action may have to be taken.

If you change course please make sure you let me know so that I put you in the correct class for the results. Thank you
