This is a fantastically unique event for British Youth Riders which would not run without the support of many people.

Thank you to all the Riders for showing enthusiasm, determination and endeavour.

Thank you to all our loyal landowners for allowing us access across their land, especially after the uncharacteristic summer weather.

Thank you to all the sponsors whose kind support allows us to continue to run this event.

Thank you to the Clerk Of the Course and of course his phenomenal team who today have been Richmond Motor Club at their best, Observers, Marshalls and Assistants.

A special Thank you to Chris Wallis, for acting as Results Secretary today and to our Awards Secretaries Carol Richardson and Cath Hillary, who coordinate the awards ceremony so wonderfully.

A final Thank you goes to our National and Centre Stewards for attending today's event.
