Thank you to the Landowners' for kindly allowing us to use their land today at such short notice. Thank you to the Clerk of the Course and his team of Helpers who created the Trial.

Many thanks to all our observers for your time, especially standing out in such horrendous conditions and your continued support of Richmond Motor Club.

Thank you for all having your ACU licenses at hand it was very much appreciated.

Please note for future trials

TSR 8

Cutout Device. All combustion engine machines used by Youth competitors must be fitted with an operational lanyard operated cut out device rigidly connected to the rider by a lanyard (max length 1 metre) so as to stop the engine should the rider and machine be parted.
