GENERAL: - All instructions at the start will have equal force with these regulations. No riding before the event No doubling up Sections to be ridden in numerical order

Richmond Motor Club forbid the wearing of cameras on any part of the body or machine whilst competing in a Richmond Motor Club Event. This decision comes following a number of accidents in which the wearing of a camera has caused injury. The decision was also made as it was considered that when helmet mounted there was also a risk of damaging the integrity of the helmet.
