Richmond Motor Club forbid the wearing of cameras on any part of the body or machine whilst competing in a Richmond Motor Club Event. This decision comes following a number of accidents in which the wearing of a camera has caused injury. The decision was also made as it was considered that when helmet mounted there was also a risk of damaging the integrity of the helmet.

GENERAL: - All instructions at the start will have equal force with these regulations. No riding before the event No doubling up Sections to be ridden in numerical order
